FREDERICK HIGH SCHOOL, FREDERICK, MARYLAND

MR. SULLIVAN

Graduating from Western Maryland College with a Bachelor's Degree and from the University of Maryland with a Master's Degree, Mr. Sullivan began his teaching career at Frederick High School in 1948. In 1952 he resigned to go into business, but resumed teaching in 1961. While at FHS Mr. Sullivan has served as teacher, guidance counselor, and since 1967 as vice-principal.

To the class of '70, Mr. Sullivan is considered a true friend. His generous nature has won him the respect he so deserves from both the faculty and the students.

Throughout our stay at FHS this man has dedicated much time and energy for our benefit and so, we, the class of '70 dedicate the Last Word to Mr. Donald Sullivan.

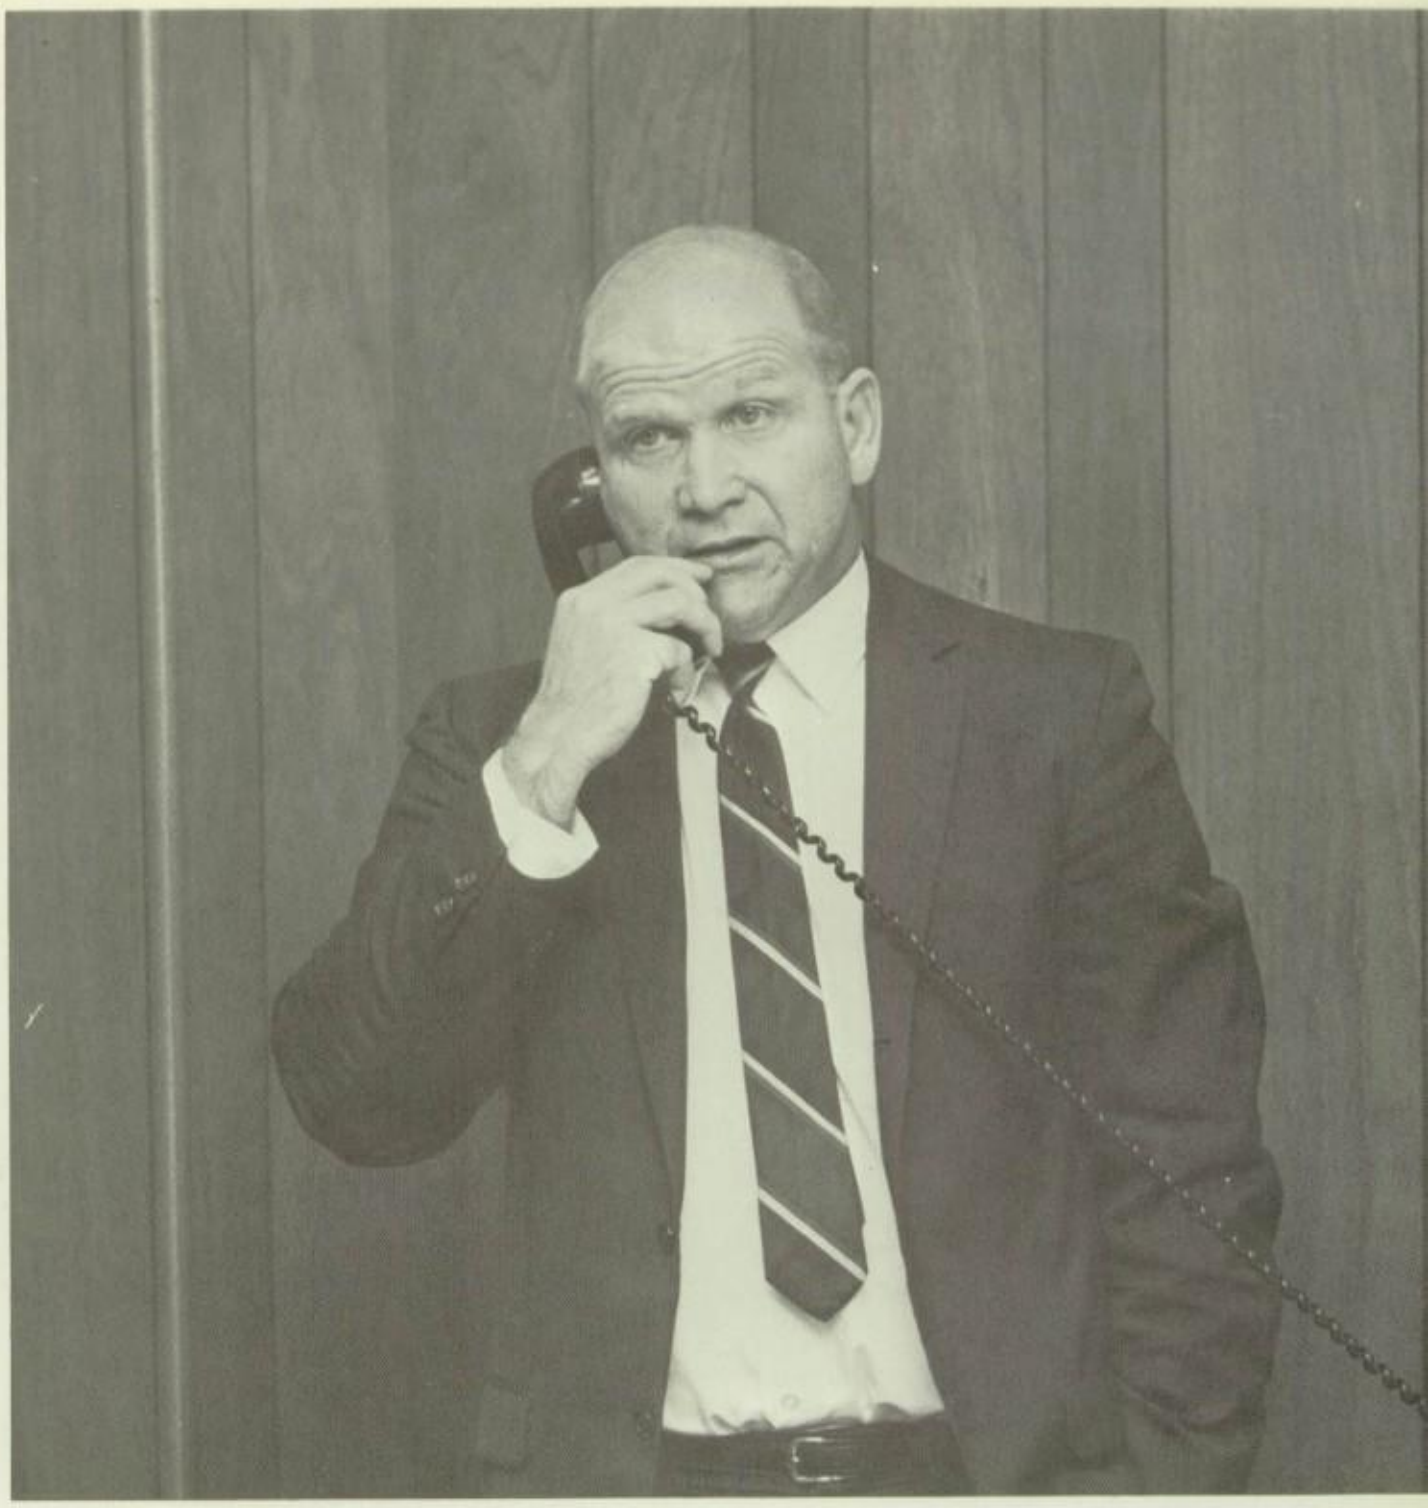
George Seaton



I congratulate you on the completion of your secondary education. In a short time you will enter upon the complete management of your life. I know you will meet your responsibilities with good spirit, and with humility.

The most productive years for you are just ahead. I am convinced that those years will be rewarding to you and to your fellowman. Your experiences at FHS have helped prepare you for the immediate steps ahead. The FHS faculty has struggled to develop your ability to think, to question, and to understand.

You are moving into a world filled with enormous change and great promise. You have the wonderful reassurance of knowing that your skills and abilities are in great demand. Keep your eye on the straight course.

I wish you all success and happiness in your new endeavors.

George M. Seaton

Vice Principals

About the time we graduate from high school every one of us has a great decision to make. What do we do with the years ahead?

The wise ones will have some ambition, some goal, some idea of success. Today education can be the means of attaining these goals of success.

It is my hope that your years of education at Frederick High School have been a satisfying experience for each of you.

Donald M. Sullivan

Donald Sullivan

Congratulations to the Senior Class of 1970.

We are proud to welcome each of you into the growing family of Frederick High School graduates.

You are entering an adult world of great uncertainty and will be confronted with problems of great magnitude. We can only hope that your stay here has adequately prepared you to intelligently cope with these situations.

Your goals in life will never be complete if they do not reflect some contributions toward the brotherhood of man and the improvement of our society.

DEMOCRACY IN MINIATURE

Once a week, two elected representatives from each home room meet with President Bob Wiles in what is known as our Student Council. The organization strives to accomplish things for the benefit of the student body. Activities sponsored included a dance, two bake sales, and a Welfare Drive. Much of the profit was donated to the Senior Lounge. Accomplishments attributed to the government body are acquisition of chocolate milk in our cafeteria, the establishment of a senior parking lot, and the privilege to hold our senior prom off school campus. Other discussions of the student council included a modification or removal of our dress code and the possibility of open campus for seniors.

TEACHERS OF TOMORROW GRASP EARLY

For the first time in the history of the FTA organizations at FHS, the Rhoads and Kefauver chapters were combined into one group. Miss Fischer provided the leadership for the members until January when she left FHS to fill a teaching position at TJ. The purpose of the club is written: "To interest the finest young men and women in education as a life career." Serving as president is Bob Anderson and other officers include Helen Radcliffe, Sue Harp, Willie Six, Vicki Effland, Sue Tinney, and Betsy Collmus.

The Future Nurses of America Club is designed to interest girls in personal and community health and to acquaint them with the career of nursing. Membership is voluntary and there are no regular meetings to attend. The Club along with the FHA organization presented a talent show in February, and toured a nearby hospital.

The Future Homemakers Club at FHS has one primary objective: to help future homemakers learn to live better today so that their lives and the lives of their families will be better tomorrow. Money making projects sponsored by these girls included two fruitful bake sales. In February the FHA club held a joint talent show with the FHA organization which was open to the public.

Among the many students who pass through the halls of FHS, a number are seen wearing traditional blue jackets imprinted with the FFA emblem. An active club, the future farmers undertook several community activities; including the distribution of food to deprived families during the holiday season and entertaining the residents of Monteview Nursing Home with an evening of caroling. This organization provides actual training outside of the classroom in such necessary aspects of farming as the proper operation of machinery and techniques used in crop cultivation. Evidences of this are the flowers which are displayed in our library at Christmas and Easter, and the livestock judging contests in which participants vie for cash prizes or trophies. Mr. White is the advisor for the group while Debbie Gloyd is honored as Chapter Sweetheart.

BUSINESS STUDENTS PREPARE TO MEET WORLD OF COMMERCE

The future is at our doorstep and the FBLA is preparing to meet the obstacles which will confront us within the world of commerce. An active organization, the members entered a float in the annual Halloween Parade. A bake sale and a car wash provided money making projects for the group. Community activities included several "socials" among surrounding area associations, and an evening of Christmas caroling. Serving as president of FBLA at FHS, Patsy Lydard also is honored as Vice President for the group in the state of Maryland. In March two field trips were scheduled. One to the Woodward and Lothrop Department Store in Washington, and the other to Strayer College in the heart of DC.

The Distributive Education Club of America is an organization of students who attend school for one half day and work during the remaining hours. They are trained in the fundamentals of marketing and distribution, instilled with the importance of success in a job, and encouraged to acquire an attitude which enables them to accept criticism. One of the main objectives of this club is to place the student in a working situation of which he is capable and one that he will enjoy. Many times the student continues to work for the same merchant after graduation.

A nationwide organization, the American Field Service proclaims one main purpose: to promote an exchange student each year. This is made possible by the various donations contributed by our community. Annually there is an AFS weekend during which the Washington, Frederick, and Rockville area students congregate and tour points of interest.

This year's foreign exchange student at FHS is Maria Depetris. Maria is from Central Argentina and is living with Mr. and Mrs. Robert H. Snyder of Urbana. In May it will be decided what student from FHS will travel to a foreign country during the summer months.

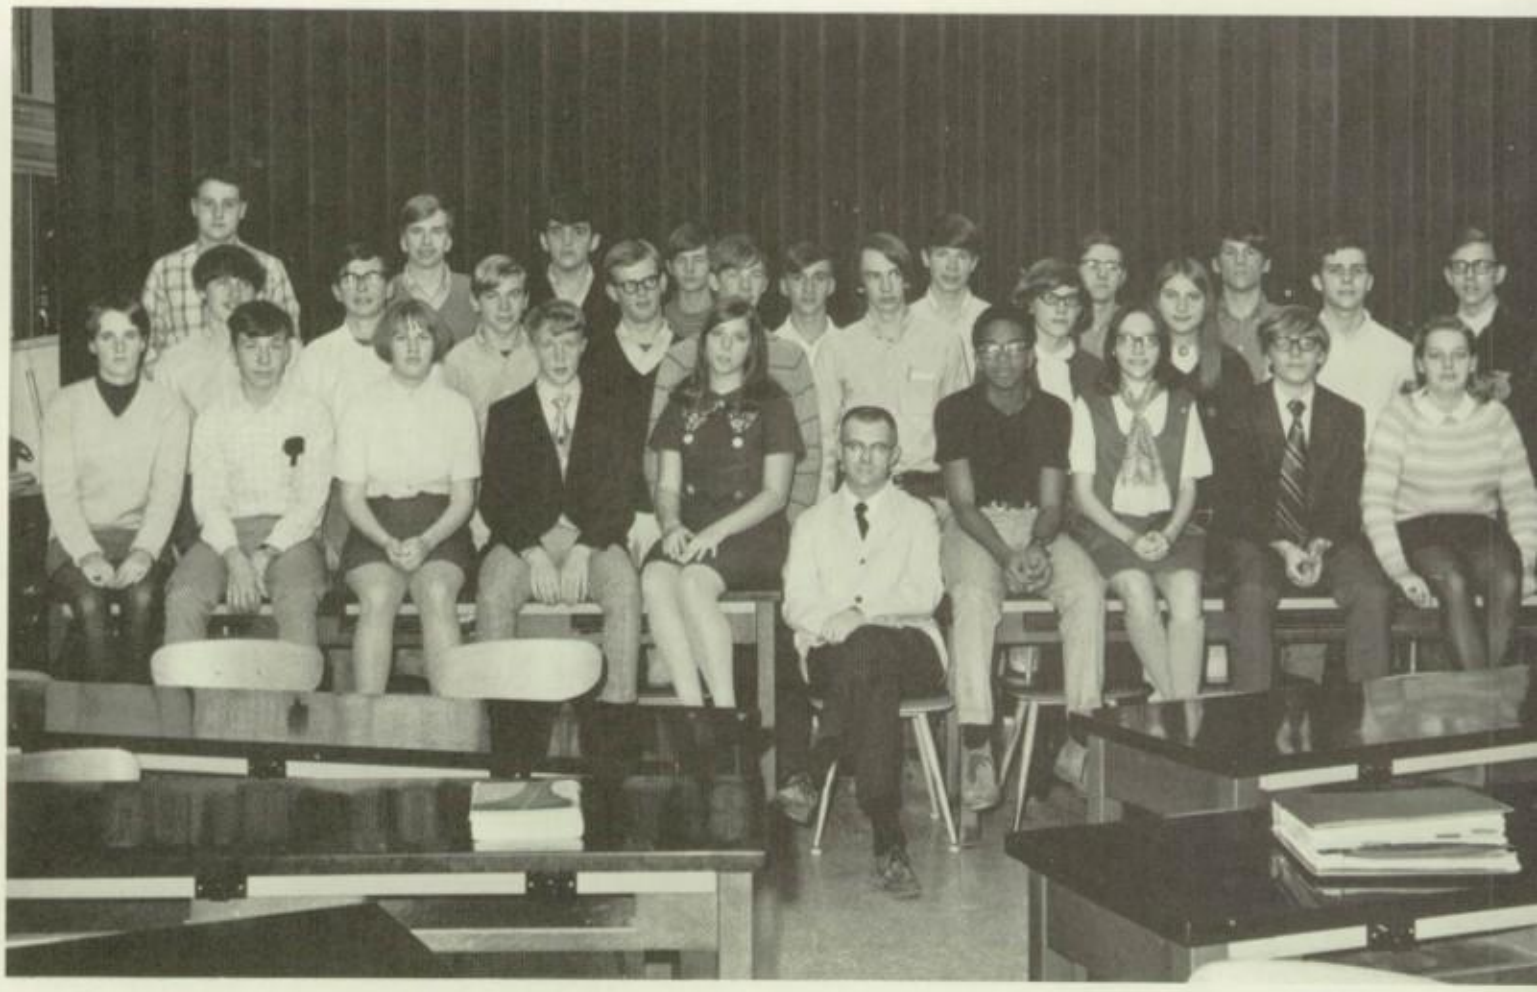
An honorary club, admission to the Honor Society is not easy. Entrance requires at least a "C" average, leadership qualities, and a number of faculty votes. A nationwide organization, our club is known as the Francis Scott Key Chapter.

Honors and Awards are goals which any student can attain by keeping an accurate point sheet and accumulating a certain number of points for participation in various school activities. Possible awards are a shield and a number of stars.

FHS RECOGNIZES STUDENT EFFORT AND ACCOMPLISHMENT



Under the presidency of Don Madden, this club strives to provide opportunities for interested students to do research on special projects, to meet and discuss science problems with scientists in this area and to explore college and job opportunities in science. Among the topics discussed at the monthly meetings were Absorption Spectroscopy, Virology and Radiation. Field trips taken included a tour of the lab facilities in physical science at the University of Maryland and a tour of the medical research facilities at Fort Detrick. An active group, the Science Club aids in the organization and presentation of the annual exposition. The members also launched a campaign to help raise money for the senior lounge by selling hot chocolate at Culler Lake during the Skating season, and by staging an aluminum can drive.

Meeting from eight to ten times a year, a selected group of students comprising the Social Studies Seminar is lectured on topics by knowledgeable people, usually outside of the school staff. A broadening horizons project, the ultimate goal is to instill interest among the members concerning subjects of a current nature. The program, once joint between TJ and FHS is now embodied by Frederick High only. Members are expected to be present and are awarded 2 points toward a star and shield for each lecture attended.

INSPIRATIONAL CLUB ATTEMPTS TO ADAPT NEW FORMAT

At approximately 8:20 every morning the Inspirational Club presents a program designed to wake you up, inform you of school news of the day, and of course to inspire you. Operating on 1970 kilocycles, the name WFHS was the ingenious idea of senior Mike Wahl, who mans the station during senior socials. During lunch hour music of the '70's is broadcast. However quite frequently lunch hour is interrupted by the resonant voice of our vice principal, announcing evacuation of our school due to a bombscare. Another announcement which has frequented our PA system, is that one which closes our school because of snowy weather.

Comprised of an appointed member from each homeroom class and a number of selected teachers, the Student Faculty Communications Committee is a new organization at FHS. The main objective of this group is to increase the understanding between the administration and the pupils by discussing the complaints and problems of both sides. An accomplishment attributed to this group is the acquisition of genuine tomato ketchup and tartar sauce in our cafeteria.

A Greek name meaning "tragedian," Thespians is also the title of a cultural school organization. This year the FHS club was honored with an invitation to present some scenes from "Thurber Carnival" at a convention in Washington D. C. The trip was a success; complete with a number of elevator races in which Jane Boyd captured the championship! Meetings are presided over by President, Tom Keller, and include the discussion of money making projects to enable the group to journey to New York. Throughout the year this club is an aid in the stage productions of Mr. McBee.

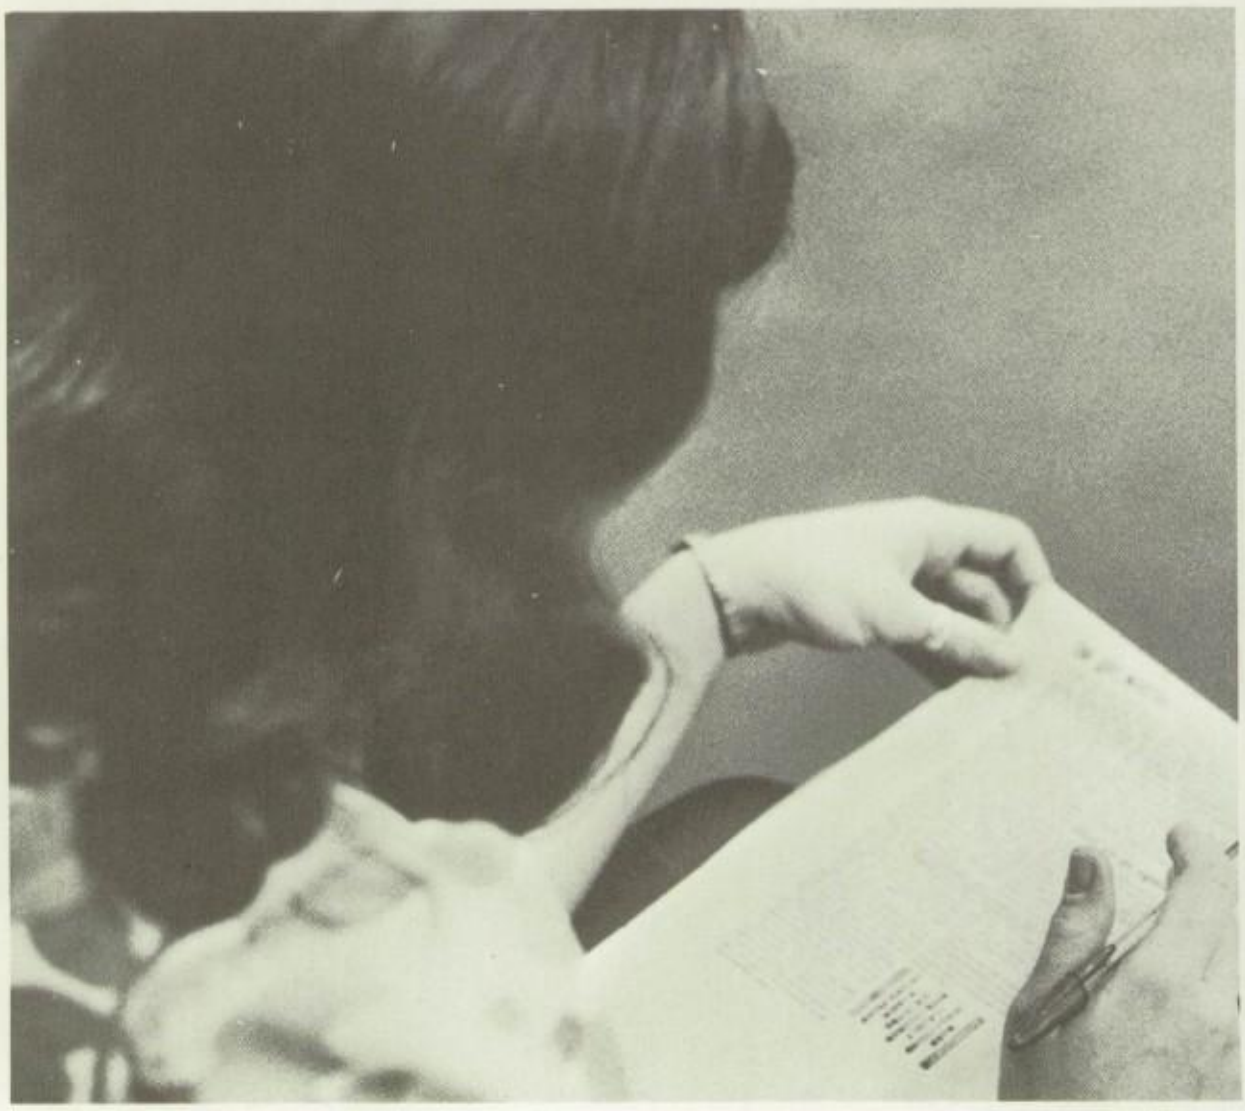
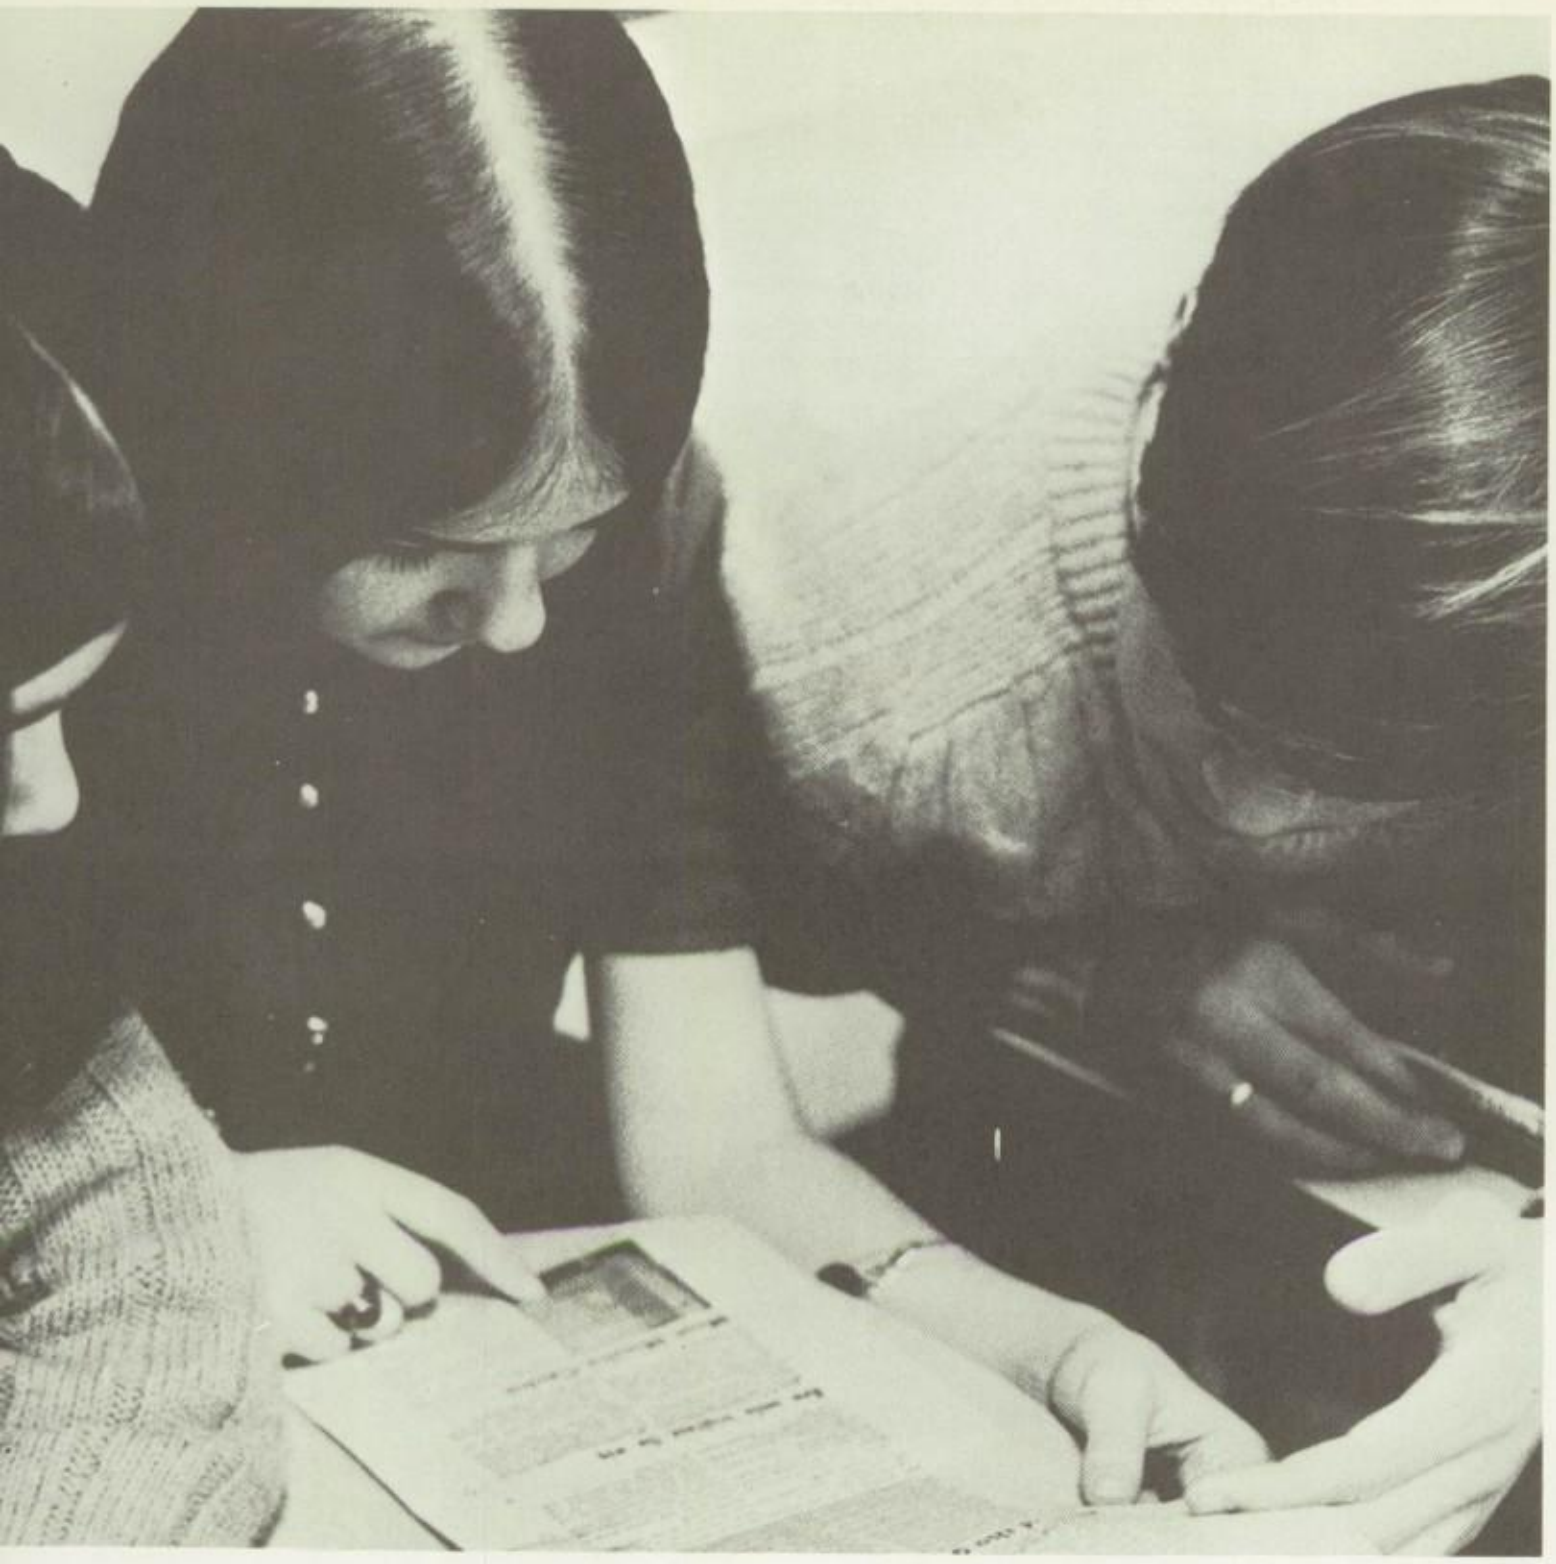
MONTHLY PUBLICATION VERIFIES FHS NEWS HAPPENINGS

Furnishing school news in monthly editions, the "High Flier" is both informative and interesting. The staff meets every morning first period under the leadership of Mrs. Tremaine. A target for the staff this year has been to increase the number of pages in the paper from four to six. Included in the publication this year are sports articles, school news, fashion, poetry, human interest stories, comics, letters to the editor, an alumni column, and many unusual features. The staff members compile the paper themselves, right down to the "folding" for distribution.





1st row: S. Krotman, D. Zeiler, G. Nickens, S. Ritchie, T. Wilkens, P. Burtner. **2nd row:** J. Clapp, C. Crance, K. Bell, V. Turner, D. Henderson, L. Darwin, Mrs. Tremaine.

YEARBOOK STAFF CREATES CARTOON CAVALCADE

"We won't have a yearbook, we'll have a comic book," commented Mr. Huy when he was informed of our theme for the 1970 Last Word. It's not quite as he visualized but comic characters do dominate divider pages.

Second period finds the staff diligently working, among other things. Back in a corner Jane Dean and Deni Sanner are all but hidden by a mountain of triplicate sheets, and on the corner of each sheet appears a brown thumb print, the result of M and M's which don't melt in your hands. Kay Barger is bent over her ledger working on our finances, and it's funny but there are always too many bills at the end of our money. Laboring over the sports pages, Mike Wahl definitely has a problem; how do you identify a football helmet?

In order to meet our deadlines, many evenings were spent at school in sessions nicknamed, "Party Time." Amid the powerful sounds of Aretha, candy, cokes, and potato chips were scattered layout, copy, and people.

Through all the confusion we somehow managed to complete our "Mission Impossible."

PEP CLUB ACTS AS CRUTCH OF DEPENDABILITY

Chanting original songs and cheers, these energetic teens can be seen as well as heard at every FHS game. Loyal throughout the games, whether the Cadets are winning or losing, the pep club maintains a tremendous crutch for the cheerleaders to lean on when crowds are not enthusiastically responsive. For the second year in a row, there is both a boys' and a girls' pep club. Although they are somewhat separated, the added male voices increase the volume of team support. Both clubs are assets to the cheerleaders and the team.

Three times monthly the TRI-HI-Y club, an affiliation of the YMCA, meets to discuss future projects. A main goal of this organization is to create, maintain, and extend high standards of Christian character. The continuation of this club wavered as Mrs. Runkle considered resignation, but to the satisfaction of members she resigned in name only, to become Mrs. Huffer. Plans for the future include the possibility of a YMCA sponsored dance, and the sale of donuts during activity periods. Serving as president is Sharie Snyder, while Bonni Mori is honored as the chaplain who seldom says a prayer.

BAND DRUMS UP SPIRIT

PRESIDENT: **James Rollins**
VICE PRESIDENT: **Steve Nee**
SECRETARY: **John Bonner**
TREASURER: **Beverly Parker**

DIRECTOR: **John Barnes**
DRUM MAJOR: **John Bonner**

Donning the symbolic gold and black uniforms and marching to the vibrant raps provided by the drums, the Frederick High Band once again attained school acclaim for their performances throughout the year 1969-1970. Football season saw John Bonner leading the band to form the fabulous "F" formation in reference to FHS. After marching in the annual Halloween parade, the members were hosted at a party by Wendy Johnson. Directional maps were constructed by Wendy to guide everyone to her home. Concert season brings band sessions jammed full of instrumental talent! Amid the classical music of the early 20th century floats the hip sound of the 70's from the sax of James Rollins. Once Mr. Barnes became so enthused while directing that he broke his baton; band members replaced it at Christmas.

Attired in black and gold outfits, these energetic females stand by equipped with fuel for the Cadet's flame of strength. Dripping in the rain and freezing in zero degree weather, they never falter over such obstacles as rain-soaked pom-poms, chapped knees, numb ears and chattering teeth. Effort increases with temperature as basketball season brings a warm relief. Bare-kneed and proud, they persist through even the toughest defeat because they know that Frederick High will always be number one no matter what the score.

An inexperienced and injury prone squad, the Cadets never relinquished hope as they battled through a dismal season. With only sixteen lettermen returning this year, a majority of the team was young and unseasoned. Displaying tremendous effort throughout the season, towering Kenny Boyd was selected to Tristate 1st team at Defensive End, and given honorable mention at Offensive End. Other honorable mentions went to Herb Price (tackle), Frank White (D. end), John Holland (M. guard), Bob Miller (L. backer) and Lonnie Diggs (Monster). Prospects are bright with 29 returning veterans for the "70" season. All the games are important, but the most emotional one of all was played in November "69" and brought our first loss to our cross town rivals, the Patriots.

Led by seniors Spencer Johnson and Kenny Boyd, the Cadets recovered from an opening game loss to BCC and went on to take the Tri-State, District, and semi-final games. For the third consecutive year the Cadets were upset in championship play when Stephen Decateur squeezed out a one point victory in the finals. Regulars Donnie Ambush, Gerald Palm, Marvin Thompson, and Don Fellers will be returning for the coming season.

WIN OVER T.J. HIGHLIGHTS J.V. SEASON

CADET HARRIERS SPRINT TO STATE FINALS

1st row: K. Parker, J. Maples, B. Hammond, R. Dorsey. **2nd row:** Coac
Rice, M. Fisher, R. Shober, C. Cornish, C. Nickens.

Compiling only two wins in their five regular season meets, th
Cadet thin clads led by Senior Mike Fisher and Junior Charle
Cornish, came on strong at the end of the season. They finishe
fourth in the South Carroll Invitational, third in the Tri-State
and second in the District meet. Bad weather and a difficu
course held the Cadets to a lower but still respectable eight
place finish in the State meet.

GOLFERS STROKE TO SUB-PAR SEASON

With practice facilities being limited, the golf team posted a record of 2-9-1. Sophomore Joe Craw showed the greatest improvement and promise by moving from the number three position to the number one position by the end of the season. The most exasperating event of the season was a tie in a match with T.J. which could and should have been won.

1st row: D. Wheeler, T. Dashiell, S. Porier, J. Craw. **2nd row:** Coach Palmer, B. Yetter, J. Craw, K. Ickes, D. Routzahn.

HOCKEY TEAM HIGH IN SPIRIT BUT LOW IN SCORES

1st row: J. Bare, G. Pileggi, L. Fuller, K. Sheppard, S. Graham, C. Gant, P. Randolph, B. Bowman, C. Hobba. **2nd row:** S. Byrd, R. Gorelle, S Hartley, B. Vandercook, K. Kefauver, D. Sterling, M. Clair, S. Carl. **3rd row:** R. Renn, C. Nauk, N. Routzahn, W. Johnson, J. Rager, A. Stoner, Mis Roberts. **4th row:** K. Selkman, J. Key.

The girls' hockey team went through a winless season with Charlotte Gant scoring the only goal, and that against T.J. The action was spirited and play was hard, but a lack of an effective offense prevented any victories.

SPEED, SKILL, AND HEIGHT: KEYS TO KADETTE SUCCESS

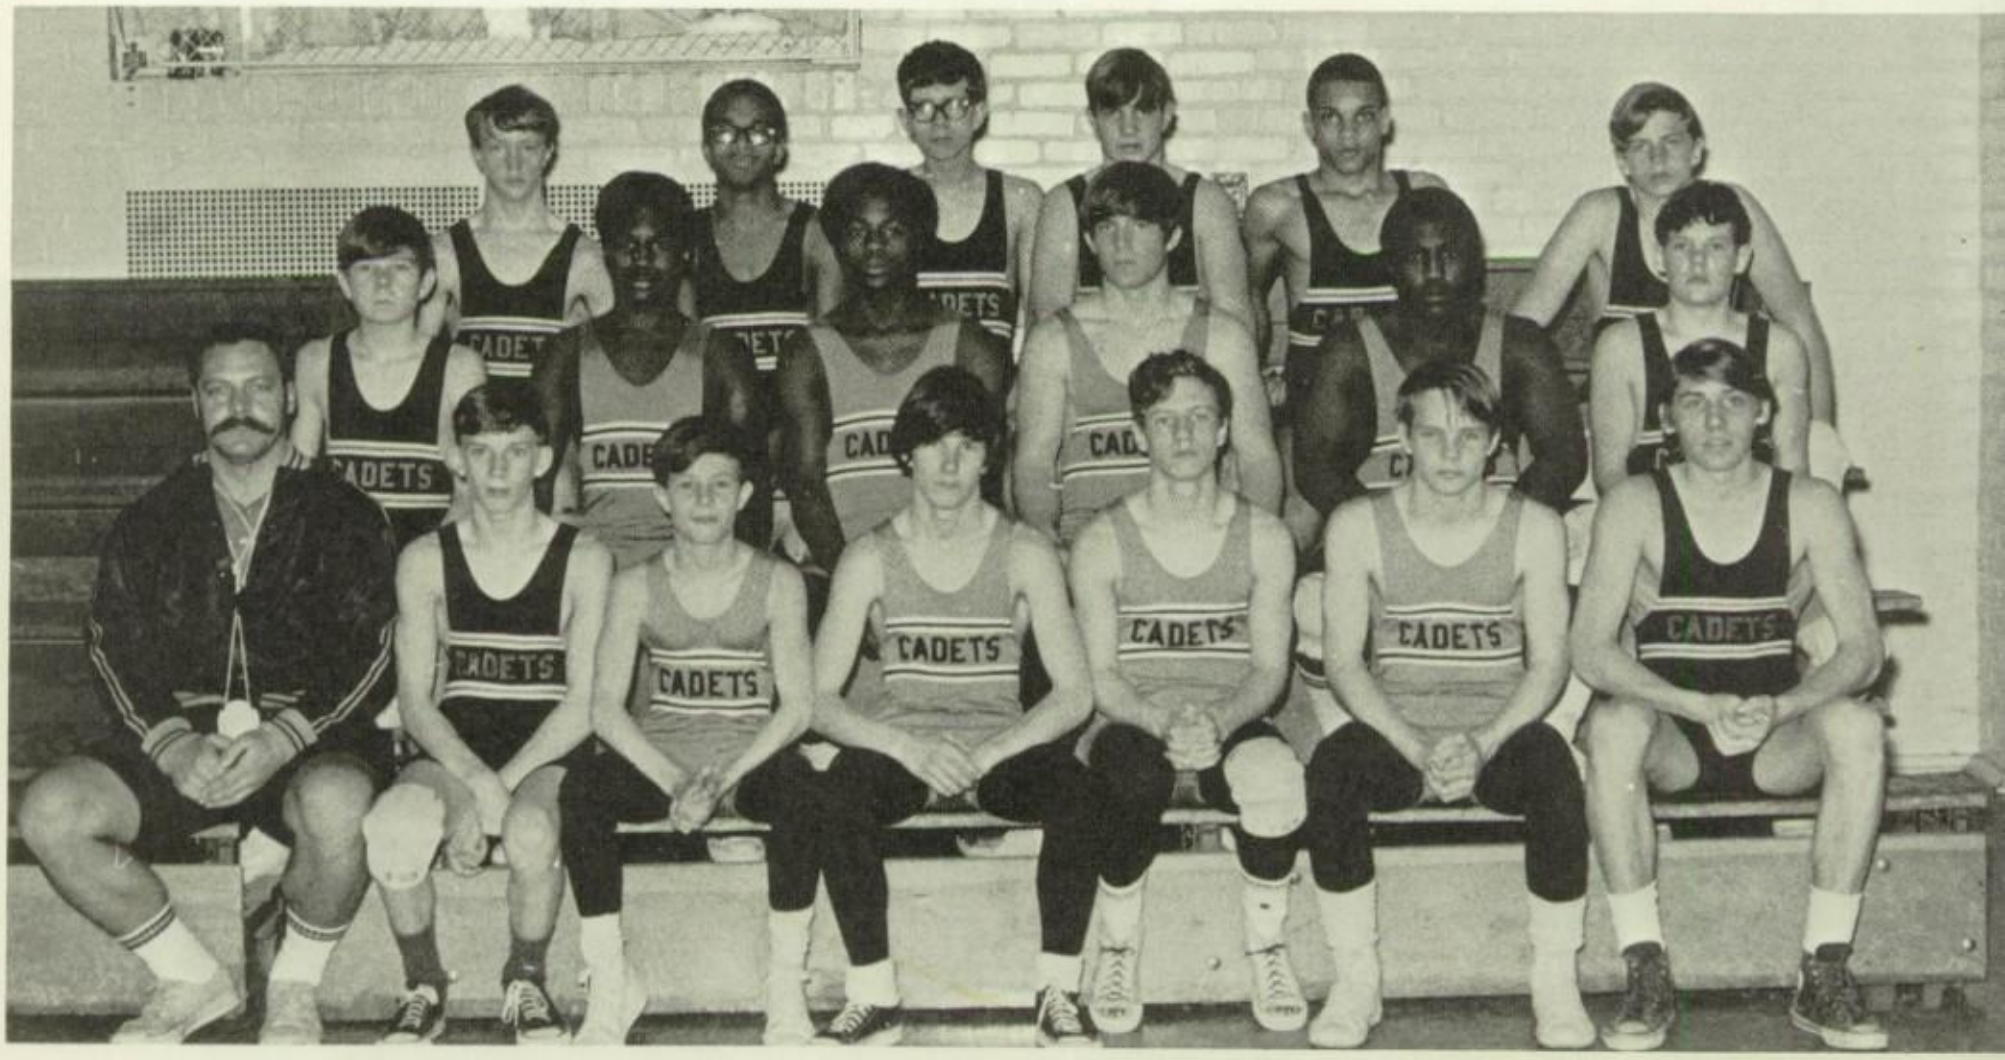
The girls' basketball season was highlighted with the 22-15 win over Brunswick and the 19-11 win over TJ. Bonnie Bowman was the high scorer and Cynthia Cowan was the best defensive player with the most rebounds. Our exchange student, Maria Depetris, added speed and skill to the team.

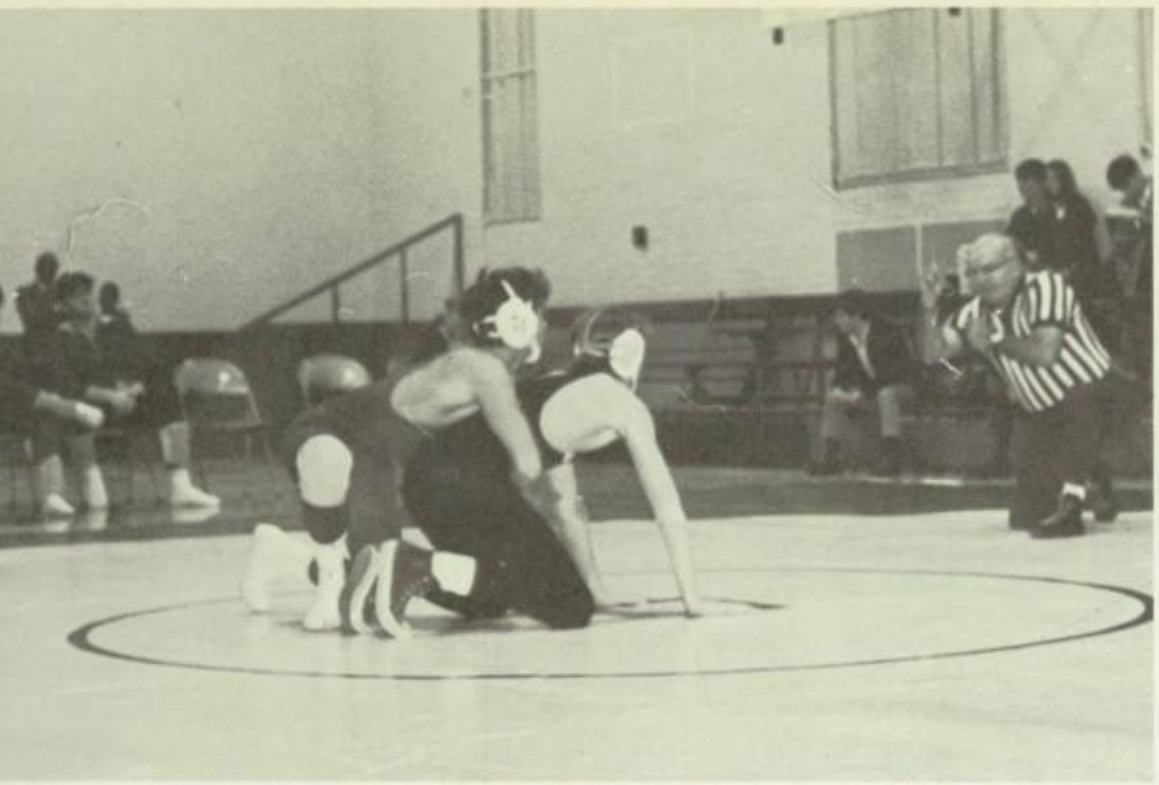
1st row: B. Vandercook, M. Depetris, S. Graham, B. Bowman, C. Cowan, D. Oram. **2nd row:** D. Dorsey, D. Ambush, S. Foreman, C. Baker, M. Ambush, L. Saunders, D. Biser. **3rd row:** J. Forte, L. Breckenridge, L. Strube, R. Renn, D. Sterling, C. Walsh, Mrs. Watkins.

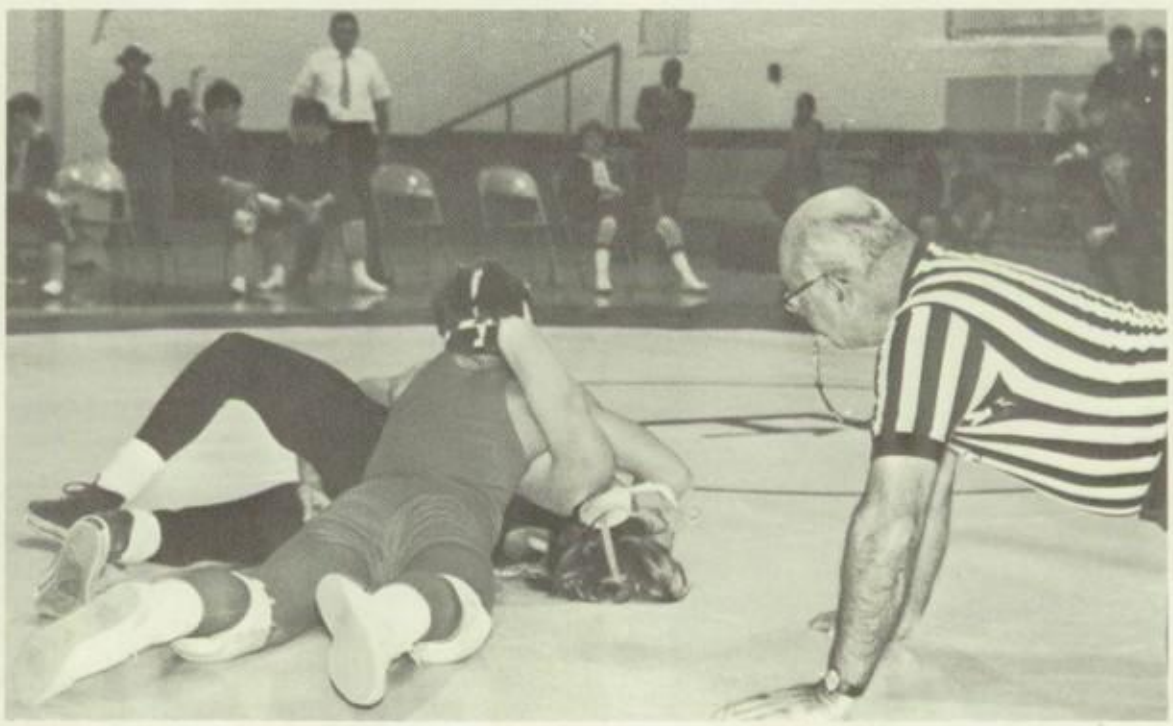
COACH BURGEE ADDS WRESTLING TO FHS'S COMPETITIVE SPORTS

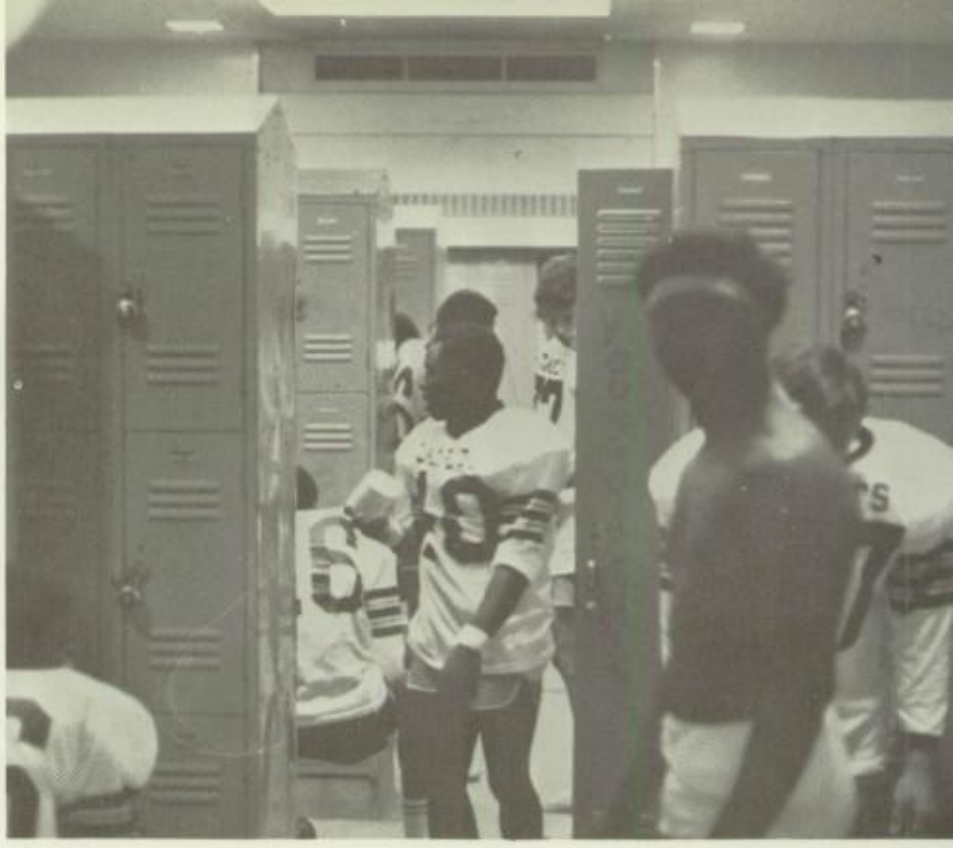
In their first year of wrestling the Cadet matmen battled varsity teams and emerged victorious in only one match over Glenelg. Senior John Holland came on strong at the end of the season to finish fourth in the Tri-State. Throughout the season the team battled against impossible odds. Prospects appear brighter for next year, however, with several underclassmen returning, including Marc Hudson, Dave Flint, and Lee Radcliffe.

1st row: Mr. Burgee, T. Adcock, K. Routzahn, B. Clair, T. Adcock, F. Olson, S. Metz. **2nd row:** L. Radcliffe, C. Davis, G. Rollins, D. Flynt, J. Thomas, A. Lydard. **3rd row:** M. Hudson, K. Turner, J. Stephan, P. Bradley, T. Brown, D. Fury.









FOREVER

Holder of four state track records, all-time Tri-state high scorer in basketball, all-league football selection for three years, and all around gentleman, Kenny Boyd is considered by many to be the best athlete Frederick High School has ever had.
